WE ARE

**TO CREATE AN EMINENT ART WORK,
A CONVICTION FROM WITHIN AND MULTITUDE IS REQUIRED.**

With an aim to luxuriate a space with excellence and unique surfaces, Panda has designated a young team of common interests which is proactively involved in creation of innovation in the ceramic tiles industry. The productive process is meticulously followed by our highly qualified staff, advanced technology, finest raw material with the consideration of the sustainable environmental compliances.

Panda is the pioneer of the subway porcelain floor and wall tiles with grey body and beautiful glazes in India. It offers an aspiring combination of irresistible looks with the most advanced technology. A versatile enduring range of subway tiles ranging from plain edge to Curve Edge, random punches complements its aesthetics. The art of imagination is reflected in our exquisite and durable products range with 8mm thickness. It is recommended for indoor and outdoor, commercial and residential application. Panda has aggregate manufacturing capacity of 40 thousand sq.ft per day.
